

SKYVIEW UAV®
YOUR JOURNEY, OUR WINGS

CORPORATE
PROFILE

DRONE

Vision

At Skyview UAV, our vision is to lead the future of drone technology by enabling individuals and organizations to harness the full potential of unmanned aerial vehicles. Our goal is to become the India's leading authority in drone training, setting new benchmarks for excellence in the industry.

Mission

Skyview UAV is committed to delivering premier drone training services as per the authorisation received from DGCA along with tailored solutions for individuals, businesses, and government agencies. Our mission is to empower our candidates & students with the expertise, skills, and confidence to operate-drones-safely and effectively across diverse applications. We achieve this through comprehensive, hands-on, and providing DGCA governed training programs, underscored by a strong focus on safety, ethical practices, and sustainability. Our objective is to promote responsible drone operation, drive innovation in the UAV industry, and uphold the highest standards of quality and integrity.

Drones

have transformative potential in disaster response and search - and - rescue operations. Equipped with advanced cameras and sensors, they can swiftly assess damage, identify hazards, and locate those in need, enabling faster and more effective emergency interventions.

COURSES

DGCA CERTIFIED REMOTE PILOT CERTIFICATION FOR DRONES

AERIAL PHOTOGRAPHY AND VIDEOGRAPHY

MAPPING AND SURVEYING

DRONE MAINTENANCE AND REPAIR

TRAINING IN AGRICULTURAL SPRAYING TECHNIQUES

COURSE FPV BUILD AND FLYING

Drone Pilot (RPC) Certification

Become a DGCA-certified drone pilot (RPC) through our comprehensive training programs. Whether you're a beginner or an experienced operator, our tailored courses are designed to meet your needs, providing authentic certification through our DGCA-approved RPTO and enhancing your skills, credibility, and professional opportunities.

Why Choose Skyview UAV?

Hands On Training:
Practical And Field-based Instructions

State Of The Art Facilities:
Access Cutting-edge
Drone Technology

RPC Certification -
Achieve DGCA Approved &
Industry Recognised Qualifications

Industry Experts:
Learn From Instructors With
Real-world Experience

Our Team

Mr. Jigar Gandhi Founder With over 30 years of extensive experience in technology leadership roles across various industries, Mr. Jigar is a DGCA-certified remote pilot, holding a B.Com degree and an MCSE (Microsoft Certified System Engineer) qualification. As an expert technology trainer and mentor for UAV enthusiasts, he has played a pivotal role in guiding both students and working professionals in developing innovative solutions using emerging UAV technologies. Mr. Jigar continues to contribute significantly to the advancement of the industry by imparting his knowledge and expertise to the next generation of professionals.

Yogesh Doshi (Almizan Group UAE)
Promoter Our Strategic investor and promoter with a global network of various industry connections, driving growth and collaboration

Dipak Bapodara DGCA Faculty - 1 DGCA Certified Drone Instructor He has B.tech degree in Mechanical Engineering, He has 2Years Experience in Drone Technology & Drone Industry He is always keen to get Associated with the emerging Technology making positive Impact to the society as a whole.

Ambesh Singh DGCA Faculty - 2 DGCA Approved small and medium class drone instructor

Balaji A. Naik A Drone Engineer He manages drone assembly, maintenance, field operations, client coordination, demonstrations, and DGCA documentation, ensuring smooth service delivery and strong customer relationships.
